5. The President's Page , Mrs. Charles Johnson had charge of seating of guests at The Presidents table . On Federation Day Feb. 20 th and Reciprocity Day March 6th, she made clever favors for each place setting. She was quite an asset to the smooth functioning of meetings.

-----  
Press and Clipping Book Chairman, Mrs Rose Lane and Committee did a good job throughout the year. One of the vitally important jobs in clubwork.

-----  
The Program Chairman Mrs. Harvey Thombs and committee gave us interesting and varied programs throughout the year. They spent long hours attending auditions to secure the best talent for the money budgetted for this , \$ 750.00.

-----  
Public Relations Chairman and Vice-President Mrs. William Adams kept the Club's public relations in fine shape, . She attended the Co-ordinating Council meetings, and reported important events to the membership. She also served as chairman for Social Night. In both capacities she functioned in her usual tireless and capable manner.

-----  
The Reception Committee Chairman Mrs. D. J. Slattery had a friendly greeting and warm smile for all. Functioning also as Chairman of The B.F.W.Y. Student Loan Committee as well.

-----  
The Rental 's Chairman Mrs. L. A. Rice, kept the rentals at an all time high for the second consecutive year. Very much loved and admired by all she came in contact with. The year's total rental's were ~~\$4,926~~ 75

-----  
The Reservation Chairman , Mrs. Daniel Mulcahy and Committee were pleasant patient and efficient , as were the Ticket Committee Mrs. B. E. Turner serving as chairman.

-----  
The Resolution's and Revision's Committee , under the guidance of Mrs. John P. Ross , Club Parliamentarian, worked tirelessly to achieve the much needed re-arrangements and changes in our By-laws. Much credit is due the Parliamentarian for her guidance, advice and time so generously given during the year..

-----  
The Telephone Chairman Mrs. R. D. Taylor and Committee served the Club in an effective way.

-----  
Last , by no means least, The Year Book Chairman, Mrs. John C. Merrill and committee had the practically perfect year-book of the ages. Such a pretty one , pink and green the Club colors. Functioning also as Club Secretary, she was a wonderful recorder, as well as a strong and able member of the Executive Team . ----- Closing the record , may we , as club-women remember. ----

NOT ENJOYMENT, AND NOT SORROW, IS OUR DESTINED END OR WAY,  
BUT TO ACT , THAT EACH TO-MORROW BRINGS US FARTHER THAN TO-DAY.
